Occupational Therapy, Physiotherapy and Speech Pathology available at local NDIS provider

Montrose is expanding their team of therapists to help more Toowoomba children and families.

Two new Occupational Therapists have joined the team and two Speech Pathologists are currently being recruited. Two of these positions are brand new and will allow Montrose to provide additional therapy appointments. Physiotherapy appointments are also available.

Montrose specialises in supporting children with developmental delay and disability. Their multi-disciplinary therapy team work with children and their families to support the achievement of goals.

The Toowoomba Montrose Centre modern and welcoming environment. It is located centrally on Bowen Street with on-street parking available.

No referral is required and NDIS and private options are available. You can contact them on 1800 193 362, email hello@montrose.org.au or find out more at www.montrose.org.au/location/toowoomba/
